

# COMIC-CON 2017

## HOTEL RESERVATIONS

will open **Wednesday, April 26**  
at about **9:00 AM Pacific time**

**Important note:** We are offering a “sneak peek” at the hotels in our block and their rates and shuttle availability, but **HOTEL RESERVATIONS DO NOT OPEN FOR FORM SUBMISSIONS UNTIL APRIL 26 at about 9:00 AM Pacific time (12:00 PM Eastern time).** You cannot request your hotel through the Comic-Con reservation service at these special rates until then. This information is presented early to allow you to be better prepared when the reservation process goes live on that day.

*Each year hotel rooms for Comic-Con sell out in a matter of minutes. We want to make the process as clear—and more importantly—as fair as it can be. Below is a guide to the process for opening day.*

## WHAT YOU NEED TO KNOW

### The Email (April 21)

On April 21, an email will be sent from Comic-Con to 2017 badge holders which will include the link to the waiting room/hotel reservation request form. The form will not open until 9 AM Pacific Time on April 26 and until then, the link will only grant you access to the waiting room one hour prior to the opening.

Opening the link prior to opening day will only take you to a page that indicates you are in the right place and to check back on opening day.

### The Waiting Room (April 26 | 8:00 AM Pacific Time)

Beginning at 8:00 AM Pacific Time, you may access the waiting room via the link in your email. The time you enter the waiting room has no impact on your position in line. At 9:00 AM Pacific Time, all users in the waiting room will be granted access to the form in random order. If you enter the waiting room after 9:00 am PT, you will be placed at the end of the line.

From within the waiting room, you will have an opportunity to view a sample version of the form to review hotel options, rates and form instructions, in advance of the opening. You will also have access to a browser check form which allow you to perform a simple check for any browser issues that may impact the performance of the form. Both resources have also been made available for you on this page (below).

### Placing Your Requests (April 26 | 9:00 AM Pacific Time)

The hotel request form officially opens on Wednesday, April 26 at 9 AM PST. On this date, you will need to submit your request via the online form or via phone. Once the maximum number of requests have been received the form will shut down and callers will no longer be able to submit a request.

### Online Submissions

At 9:00 AM Pacific Time, everyone in the waiting room will be assigned a random place in line. Guests will then be moved from the waiting room to the request form based on this order. Randomization will not take place until 9:00 AM Pacific Time and is not based on the time in which you enter the waiting room. No further randomization will take place throughout the process. Anyone accessing the link after 9:00 AM Pacific Time will be placed at the end of the line. **Forms will be processed based on the time at which a user was granted access to the form — NOT the time at which the form was submitted.**

### Sample Form

To allow attendees to prepare for opening day — we are providing a sample version of the form for review in advance of the opening. The form remains similar to previous years, but some processing options have been updated and the hotel list has been updated to reflect 2017 availability.

The sample form is available for review here: <https://cci.onpeak.info/browsercheck>

In addition to reviewing the options available on the form this year — attendees are encouraged to verify that their browser settings are configured for best performance of the form ahead of opening day. Use the following link to verify that JavaScript and Cookies are enabled on your browser: <https://cci.onpeak.info/cookiecheck>.

**Note:** New this year you will be given the option to select up to 6 downtown hotels and 6 non-downtown hotels, for a maximum request of 12 unique different hotels. Only 1 hotel selection is required to submit the form.

### Hotel Placements

**New this Year:** Confirmations of hotel placements will be sent out in two groups. The first will be sent on May 1 and the second on May 8. Those who cannot be placed will be notified no later than May 15 if the request cannot be accommodated.

If you have been placed at a hotel, you will have **72 hours from the date and time the email is sent to confirm your reservation with a deposit**. If you do not confirm within 72 hours, your reservation will be cancelled.

Once confirmations are sent, you will be required to provide a deposit equal to two (2) night's room rate plus tax.

- For reservations confirmed on May 1 the required deposit must be provided by Friday, May 5 at 12:00AM PT
- For reservations confirmed on May 8 the required deposit must be provided by Friday, May 12 at 12:00AM PT
- **Reservations without deposit will be cancelled and will not be re-instated for any reason.**

### The Details and a Few FAQ's

As everyone knows from past experience, Comic-Con's discounted hotel rates means rooms sell out very quickly. We work hard to create a process that is easy and fair for as many people as possible. That said, there are a LOT of details and so here is the fine print, please take a moment to read through.

### The Details and a Few FAQ's

#### ***Who is onPeak?***

Comic-Con International has contracted with onPeak to provide hotel accommodations for the 2017 event.

#### ***How does the randomization process work?***

To ensure fairness in the request and placement process, Comic-Con uses a randomization process for granting users access to the form. Beginning at 9:00 AM Pacific Time on April 26, 2017, all users within the online waiting room will be assigned a random place in line. Guests will then be moved from the waiting room to the request form based on this order. The order in which requests are processed will be based on the time a guest was granted access to the form. No further randomization will take place throughout the process.

#### ***Is there anything new this year that I should be aware of?***

Based on the feedback Comic-Con received from the 2016 sale, two noticeable edits have been made to the request form that are important to note:

1. You now have the option to request a maximum of 6 downtown hotels AND a maximum of 6 non-downtown hotels. You are only required to submit 1 hotel choice and will have the following options:
  - Requesting only downtown hotels.
  - Requesting only non-downtown hotels.
  - Requesting a mix of both.
2. If none of your preferred hotel choices are available, you now have the following options to select from:
  - Book me at a hotel that is closest to the convention center, regardless of rate.
  - Book me at a hotel with the lowest available rate, regardless of location.
  - Book me at any hotel that is on the shuttle route, regardless of rate or location.
  - If none of my preferred hotel choices are available, disregard my request completely.

We encourage all guests to review the 2017 sample form prior to opening day to familiarize themselves with the options this year. The sample form is available at: <https://cci.onpeak.info/browsercheck>.

### *When will I find out if I've been placed at a hotel?*

Confirmations of hotel placements will be sent out in two groups. The first will be sent on May 1 and the second on May 8. Those who cannot be placed will be notified no later than May 15.

Once confirmations are sent, you will be required to provide a deposit equal to two (2) night's room rate plus tax.

- For reservations confirmed on May 1 the required deposit must be provided by May 5 at 12:00 AM PT
- For reservations confirmed on May 8 the required deposit must be provided by May 12 at 12:00 AM PT
- **Reservations without deposit will be cancelled and will not be re-instated for any reason.**

### *What if I don't like where I've been placed?*

If you receive a confirmation email and are not happy with your hotel you can simply opt to take no action or you can notify onPeak of your intention to cancel your reservation(s). If you do not provide your deposit by the required deadline your reservation will automatically cancel. If you would prefer to contact onPeak to cancel, you may do so by calling 1-877-55-COMIC (1-877-552-6642) or 212-468-5283 and referencing the onPeak ID number included on your confirmation email.

## POLICY INFORMATION

# COMIC-CON 2017 HOTEL RESERVATIONS WILL OPEN **APRIL 26** at **9:00 AM Pacific Time**

## Fine Print Reminders

- Hotel rates include an \$8.00 per night reimbursement to Comic-Con to help defray shuttle and convention costs (this charge is subject to change). San Diego city blocks are small compared to other cities and take approximately 2–3 minutes to walk. You may find walking in the morning is a great way to explore San Diego and find new places for dinner or lunch or shopping.
- Reservations are booked based on room availability. Bed type and special requests are not guaranteed. All special requests will be noted with the hotel, but are subject to hotel availability at the time of check-in.
- Hotels in San Diego charge a Transient Occupancy tax of 10.565%, a Tourism Marketing assessment of 2% and parking fees, all of which are subject to change without notice. Hotel rates are not guaranteed until booked and confirmed. Hotel rates may vary by number of occupants and other requested services. Comic-Con and onPeak reserve the right to correct any identified errors.
- Responsibility and liability: Comic-Con and/or its agents act only in the capacity as agents for customers in all matters pertaining to hotel accommodations and transportation whether by railroad, automobile, airplane or any other means, and as such are not responsible for any damage, expense, or inconvenience caused by train or plane arrivals or departures, or by any change of schedule or condition from any loss, injury, or damage to any person or property from any cause whatsoever. Baggage handling throughout the program is entirely at the owner's risk. The customer agrees that show management and/or its agents shall not be held responsible in the event of any error or omission in any promotional material.

**PLEASE NOTE:** While Comic-Con has worked with onPeak to try and make the hotel reservation experience fair for everyone, it is possible that problems outside of our control could result in the system not working as planned. The possibility exists that anti-virus, anti-spyware, and anti-malware software may aggressively block browser cookies, JavaScript, or other operation of modern web applications. It is also possible that user error, specific hardware problems, local ISP issues, email delivery issues, or simply the extremely high level of demand beyond our control may result in your computer and/or browser not behaving as expected. While onPeak has done extensive testing, we make no guarantees that your efforts will result in a successful hotel reservation.

Hotels listed with shuttle service, the approximate travel time is provided using the 2016 shuttle program. Times may vary by hotel.
