CELEBRATING SAN DIEGO COMIC CON 2026!

WHAT ARE ZENESCOPE EXCLUSIVE COLLECTIBLES?

Zenoscope Collectibles are premium, limited-edition releases for the serious collector, each born from our universe of dark fantasy, horror, and sci-fi. Each one is a physical artifact **designed to be owned, displayed, and treasured**, not just read. Zenoscope Collectibles feature exclusive variant covers by celebrated illustrators, and some may be signed editions, sketch covers, foil treatments, or special finishes.

These collectibles have **strictly limited print runs** — once they're gone, they're gone.

If you're building a collection, these are the pieces that define it.
